Ramprasad Bommaganty

Plot No:319 B, Road No:4,   bommagantiramprasad@yahoo.com   9550702460

R.K.Housing Colony,Sainathpuram,

A.S.Rao Nagar,Hyderabad-500062.

Objective:

A 4rd year B.Tech Computer Science and Engineering student at Malla Reddy Institute Of Technology (affiliated to Jawaharlal Nehru Technological University-Hyderabad) with an interest in Application Development and Web Development looking for an internship in a start up or a well established company for a period of 2-3 months.

Education:

- 2015(expected)- B.Tech (Computer Science and Engineering) – Malla Reddy Institute of Technology (affiliated to Jawaharlal Nehru Technological University-Hyderabad) – 3.5/5 (at the end of 1 Full year and four semesters)
- 2011- Intermediate (Sr. Secondary) – Board of Intermediate Education – Andhra Pradesh – 82.7 %
- 2009 – 10th (Secondary) – CBSE Board – 92.4%

Internships:

- **Content Writing Intern, The Fish Bowl Network: Feb'14-present**

Currently working as a content writing Intern for The Fish Bowl Network, an online blog for discussing issues on a wide variety of topics.

Academic Projects:

Implementation of a Student Data Management software in Java programming language: Jul-Sep '13

The project was aimed at developing a Java based software for managing the student information in an educational institution (particularly engineering colleges). It was developed as a part of an independent project with two fellow classmates. Personally designed the interface and programmed the working code for the databases establishment and subsequent connectivity to the interface.

E-commerce website using HTML/CSS,PHP

Developed an e-commerce website for a flower store as a part of project work of an online web development training course.

Website Publishing System: June-July '14

As a part of academic mini-project, developed a java web based software for business organizations. Developed using Java, HTML & CSS, JavaScript and SQL, the project was aimed at providing a platform for various users to communicate in a business environment. The project was done under the able guidance of faculty at Electronics Corporation of India Limited, Hyderabad.

Computer Skills:

Knowledge of C, C++, Java, HTML and CSS, JavaScript and Oracle SQL acquired as a part of the coursework at undergraduate level. Additionally learnt PHP and MySQL through a certificate training program.

Achievements:

- Among the top 5 % of merit students at undergraduate level.
- Won the first prize for presenting a paper on the topic STUXNET at Texplosion'13, a national level technical fest.
- Won the first prize in Technical Quiz conducted at St.Peter's Engineering College, Hyderabad as a part of a national level technical fest.
- Awarded a merit certificate, scholarship and a gold medal at school for being the school topper with an aggregate of 92.4% in CBSE 10th Board examinations.
- Awarded gold medal at school for top scoring in Science in CBSE 10th Board examinations.
- Won second prize in Bizz Quiz at Infinity 2k14, conducted by OU College of Engineering.

Extra-curricular Activities/Others:

- Current student member of IEEE. Membership Number: 92769224 and personal ID: ramprasad.bommaganti.in@ieee.org
- Current student member of ISTE. Membership Number: 0510
- Successfully completed a MOOC of Northwestern University from Coursera with distinction(78.9%).
- Successfully completed an online certification training program on Web Development at Internshala Virtual Training Center with 92.5%. Served as the Secretary of SPROUTS, a student club at college, dedicated to improve the programming skills and communication skills of students.
- Attended a three day IEEE workshop at MVGR College of Engineering, VIzianagaram, on Research Advances in Science and Engineering.

- Attended an Android App Development workshop conducted at Mahatma Gandhi Institute of Technology.

- Languages known: English, Telugu, Tamil, Hindi, Sanskrit.

- Hobbies: Avid blogger, author of two blogs: Candid Conversations (http://brainwins.blogspot.in/) and Cricketology (http://crichitzz.blogspot.in/).

- Other Hobbies: Reading books, watching and reading about Cricket and programming basic software applications.
